30 YEAR LIMITED MANUFACTURER'S WARRANTY

STONewRAP manufactured stones carry a 30 year warranty from the date of invoice. This warranty covers the manufacturing defects caused by the manufacturer. It does not cover the following:

- Movement or settlement or flexibility or instability of the application area or the building.
- Wrongfully installed materials, and damages caused by incapable installation.
- Any stains, dirt or oxidation on our stones as well as discoloration.
- Damages caused by contact with paint or chemicals.

Warranty will be valid as long as the product is used in accordance with the manufacturer's instructions. Structure that the installation is being made on has to conform to local building codes. In all claims, if any replacement is awarded by the manufacturer, this replacement will only include the stone material, and will exclude installation expenses, removal expenses, labor expenses, shipment expenses, and all other expenses of any sort.

Our stones are not suitable for use on the ground or floors or any area where walking or driving on is possible.

The manufacturer will supply the defective pieces at no charge to the buyer. The warranty is valid for the original purchaser only, and is not transferable to another party regardless of if it's a subsequent owner or not.
